

PRIVACY STATEMENT

With our privacy policy, we would like to inform you about the nature, extent and purpose of the processing of personal data on our website. Personal data is all data that has a personal relationship with you, eg. your name, address, e-mail address or user behavior. This privacy statement has been prepared on the basis of the EU Regulation 2016/679 of 27 April 2016, which has to be implemented since 25th May 2018. It is being regularly updated according to the case law and the resulting legal adjustments.

Responsible for the data processing is:

Lux-Drones Sàrl

Stéphane Anxionnat

I. Webhosting

We use our services for the provision of our online presence of an Internet service provider, on whose server the website is stored (hosting) and which makes our site available on the internet. The internet service provider processes contact data, content data, contract data, usage data, inventory data as well as meta and communication data on our behalf.

Legal basis: Legal basis for the processing described above is our legitimate interest in an efficient and secure provision of our online offer, Art. 6 para. 1 lit. f GDPR i. c. w. Art. 28 GDPR (order processing contract).

A. Purely informational use

If you only use our website for information purposes, our Internet service provider will only collect personal data that the browser you use transmits to its server. This is the following data:

IP address

The date and time of access to our website

Time Zone Difference to Greenwich Mean Time (GMT)

Access status (HTTP status)

The transferred amount of data

The internet service provider of the accessing system

The type of browser you are using and its version

The operating system you are using

The website from which you may have come to our website

The pages or subpages that you visit on our website.

The aforementioned data are stored as log files on the servers of our Internet service provider. This is necessary to be able to display the website on the device you are using, as well as to ensure stability and security. For the above-mentioned purposes, we have a legitimate interest in data processing.

1. Legal basis: The legal basis for this is Art. 6 para. 1 sentence 1 lit. f GDPR.
2. Duration: The above-mentioned data for the provision of our website will be stored for a period of 7 days and will then be deleted.
3. Prevention: Since the processing of the above-mentioned data is absolutely necessary for the provision of our Internet presence, there is no right of objection.

II. Cookies

Our website uses cookies. Cookies are small text files consisting of a series of numbers and letters that are stored on the device you are using. Cookies neither transmit viruses nor can they execute programs. They are rather primarily used to share information between the device you use and our website, to make our website more user-friendly and effective. A distinction must be made between temporary cookies and persistent cookies. The temporary cookies include in particular the session cookies. These store a so-called session ID, with which various requests from your browser can be assigned to the common session. As a result, our website recognizes your computer when you return to our website. The session cookies are deleted when you log out or close your browser. Persistent cookies are automatically deleted after a specified period, which may differ depending on the cookie. You have the option to delete these cookies at any time in the security settings of your browser.

The cookies are used to make our website more user-friendly. Some elements of our website require an identification of the calling browser even after a page break. In particular, these cookies may contain information about language settings or login information.

In addition to that, we also use cookies on our website that allow an analysis of your visit to our website. These cookies may in particular contain information about entered search terms, frequency of page views or use of website functions. These cookies enable us to understand how often and how the website and its features are used. They serve to improve the quality and user-friendliness of our website, especially the contents and functions. This enables us to continuously improve our offer. The data collected in this way are anonymized by technical means. Therefore, a correlation of the data to your person is not possible. The data will not be stored together with other personal data concerning your person.

For the above purposes, we have a legitimate interest in data processing. The legal basis for this is Art. 6 para. 1 sentence 1 lit. f GDPR.

Since the cookies are stored on your computer, you as the user have full control over the use of cookies. You can use the security settings of your browser to specify whether cookies are even stored at all or not. For example, you cannot accept cookies from the outset, or you can only choose to delete cookies every time you close your browser. If cookies are disabled for our website, it may not be possible to use all the functions of the website to the full.

III. Storage duration and deletion

We delete or block your personal data as soon as the purpose of the storage is achieved or deleted. Any further storage will only take place if this is required by national or European regulations. A blocking or deletion of the data in this case takes place if the storage period prescribed in the respective regulations expires, unless we need your data for the fulfillment of a contract concluded between us or if this is necessary for the assertion, exercise or defense of legal claims.

IV. Contact via e-mail or social media

A. Scope:

If you contact us via e-mail or social media and provide us with personal data, this data will be automatically stored and processed to process your request in our house. These data will only be processed for correspondence with you. The data transfer takes place via an encrypted SSL connection. A transfer of your data to third parties does not occur.

B. Purpose:

We need your name to be able to address you in our response. We need your e-mail address to answer your request. We need your phone number to fulfill your callback request.

C. Legal basis:

The legal basis for the above-mentioned use of the data is Art. 6 (1) lit. a GDPR deletion: The personal data collected by us will be deleted if they are no longer required. We check the requirement every 2 years. You can also revoke the data processing at any time. Prevention: You can prevent the storage and processing of your personal data by refraining from contacting us by e-mail or via social media.

V. Online-Shop

If you use our webshop to place orders, we need certain data in order to process your order. This includes in particular your name and your address and electronic contact details, information on processing the payment process and the services you have used. This data is saved by us. In particular, we use the data transmitted to us by Amazon in particular to

- Identify you as our customer,
- Process,
- fulfill and fulfill your order,
- to get in touch with you,
- to invoice you,
- to be able to process any liability claims,
- to be able to assert contractual claims against you.

We only pass on your personal data to third parties if:

- the transfer according to Art. 6 Para. 1 S. 1 lit. there is a legal obligation to do so in accordance with Art. 6 Para. 1 S. 1 lit.
- this is necessary according to Art. 6 Para. 1 S. 1 lit.b GDPR for the processing of the contract concluded with you (e.g. forwarding of the data to the logistics company commissioned with the delivery or for the purpose of payment processing).

In addition, your personal data will not be passed on to third parties without your express consent. If we pass on your personal data to third parties, we limit the scope of the transmitted data to the necessary minimum.

When you place an order, register for a user account or log in again, we save your IP address and the time of the respective user action. The purpose of storage is our but also your legitimate interests in protecting against misuse and other unauthorized use. The legal basis for this is Article 6 (1) (c) GDPR. This data will not be passed on to third parties unless it is necessary to pursue our claims or there is a legal obligation to do so in accordance with Article 6 (1) (c) GDPR.

A. Purpose:

The processes and interests described above represent the purpose of storing the data.

B. Legal basis:

The processing of your data in the processes described above is based on the following legal basis:

In so far as we obtain your consent for processing, Article 6 (1) (a) GDPR serves as the legal basis.

For processing this serves to fulfill a contract concluded with you, Article 6 (1) (b) GDPR is the legal basis. It also applies to the processing operations that are required to carry out pre-contractual measures.

In so far as processing is necessary to fulfill a legal obligation to which we are subject, Article 6 Paragraph 1 lit. c GDPR serves as the legal basis.

In the event that vital interests make processing necessary for you or another natural person, Article 6 (1) (d) GDPR serves as the legal basis.

If processing is necessary to safeguard one of our legitimate interests or a third party and your interests, fundamental rights and freedoms do not outweigh the first-mentioned interest, Art. 6 (1) (f) GDPR serves as the legal basis for processing.

C. Deletion:

Due to commercial and tax law requirements, we are obliged to save your address, payment and order data for a period of 10 years. After the statutory warranty rights have expired (2 years), however, we will restrict the processing so that your data will only be used to comply with legal obligations.

VI. Your rights as a user of our online presence according to the GDPR

According to the GDPR, you have the following rights, which you can assert at any time in the person named in section 1 of this privacy policy:

A. Right to information:

According to Art. 15 GDPR, you can request a confirmation as to whether and which personal data we process from you. In addition and free of charge we may provide you with information on the processing purposes, the category of personal data, the categories of recipients to whom your data has been disclosed or the planned storage period, the right of rectification, deletion, limitation of processing or opposition, the existence of a right of appeal and the origin of their data, if they were not collected from us. You also have the right to know whether your personal information has been transferred to a third country or to an international organization. If so, you have the right to obtain information about the appropriate guarantees in connection with the transfer.

B. Right to correction:

In accordance with Art. 16 GDPR, you may request the correction of incorrect or complete incomplete personal data which is being stored by us. If this concerns the storage of your data with our provider, then the provider guarantees us an "effort" to answer to our inquiries "within 30 days".

C. Right to cancellation:

According to Art. 17 GDPR you have the right to demand the deletion of your personal data stored by us, as far as we do not need their processing for the following purposes:

- To fulfill a legal obligation,
- To assert, exercise or defend legal claims,
- To exercise the right to freedom of expression and information; or
- For the purposes of the cases of public interest referred to in Article 17 (3) (c) and (d) of the GDPR.

D. Right to restriction:

According to Art. 18 GDPR, you have the right to demand the restriction of the processing of your personal data, if

- The accuracy of the data is disputed by you, for a period of time that enables us to verify the accuracy of your personal data,
- The processing of your data is unlawful, but you reject their deletion and instead demand the restriction of the use of the data,
- We no longer need your personal information for processing purposes, but you do need the information to assert, exercise or defend your rights
- You have lodged an objection against the processing of your data pursuant to Art. 21 GDPR, but it is not yet certain whether the justified reasons that justified us despite your objection to further processing, outweigh your rights.

E. Right to information:

If you have asserted the right of rectification, erasure or restriction of the processing to us, we are obliged to make any correction or deletion of the data required of you, to which you have disclosed your personal data or to disclose any limitation to processing, unless proving will be impossible or disproportionate. You have the right of being informed by us about these recipients.

F. Right to Data Transferability:

Pursuant to Art. 20 GDPR, you may request that we obtain the personal data relating to you that you have provided to us in a structured, standard and machine-readable format or to request that you transfer it to another person in charge.

G. Right of appeal:

According to Art. 77 GDPR you have the right to complain to a supervisory authority. To do so, you can contact the supervisory authority of your usual place of residence, your workplace or our company headquarters.

VII. Withdrawal

According to Art. 7 para. 3 GDPR, you have the right to revoke your consent to the processing of your data at any time to us. The revocation you have declared does not alter the legality of the processing of your personal data until the revocation.

VIII. Right to object

You have the right, for reasons that arise from your particular situation, to object at any time to the processing of personal data concerning your person, which takes place on the basis of a balance of interests (Article 6 (1) (f) GDPR). This is especially the case if the data processing is not required to fulfill a contract. If you exercise your right to object, we ask you to explain the reasons. We will then no longer process your personal data, unless we can prove to you that compelling legitimate reasons for data processing outweigh your interests and rights.

Regardless of the foregoing, you have the right to object to the processing of your personal data for advertising and data analysis purposes at any time.

Please direct your objection to the above-mentioned contact address of the responsible person.

IX. YouTube

On this website we use components from YouTube, a service provided by YouTube, LLC, 901 Cherry Ave., San Bruno, CA 94066, USA. YouTube, LLC is a subsidiary of Google Inc., 1600 Amphitheater Pkwy, Mountain View, CA 94043-1351, US

A. Scope:

The use of YouTube enables us to embed various videos and clips that are made available on the Internet platform www.youtube.de. After a page or sub-page of our website is called up on which such an embedding has taken place, the Internet browser you are using is prompted to download video components of the respective embedded video or clip. During your visit to our website and its sub-pages, both YouTube and Google are informed about which page or sub-page you have accessed by transmitting your IP address to Google's external servers in the USA. This information is transmitted regardless of whether the videos or clips displayed are actually viewed or clicked on, or whether you are logged into your YouTube or Google account.

Google is a participant of the Privacy Shield Agreement and certified for data processing according to European standards. This information is collected and assigned to your Google account if you are logged into it during your visit.

B. Purpose:

The use of the YouTube components on our website is used to provide you with videos and clips from the www.youtube.com website on our website for viewing and interaction. The data processing by Youtube takes place for the purpose of advertising, market research, the design of the website and the provision of needs-based advertising.

C. Legal basis:

The legal basis for the use of the data described above is Article 6 (1) (f) GDPR. Prevention: You can prevent the data transfer at any time by logging out of your YouTube account, or by clicking the following link <https://adssettings.google.com/authenticated> after logging into your Google account by clicking the logout button and by putting an opt-out cookie.

X. Social Media Plugins

Our website uses social media plugins from the providers listed below. Which plugin belongs to which provider can be recognized by the respective logo with which the plugin is marked. When you visit one of our sites where a plugin is implemented, the provider of the plug-in will automatically establish a connection between your browser and the provider's servers. Already at this time data is transmitted to the provider. In addition, data will be transmitted to the provider as a result of further interactions with the respective social plug-in (for example, clicking the Facebook Like button). If you have an account with the provider, this data can be linked to it. In order to prevent such a linking of your data, you can log out before visiting our page at the service of the provider.

The collected data can be stored and evaluated by the provider in order to create user profiles for the purpose of advertising and market research. You have a right of revocation against the creation of user profiles. To exercise this, you must contact the provider of the plugin.

You can refer to the respective, in the following communicated, privacy statements of the provider to see for which purpose and to what extent data are collected from the provider.

We (ourselves) do not collect personal data by means of social media plugins or their use. We have no control over what data an enabled plugin collects and how that data are used by the provider.

XI. On our website, we use social plug-ins from the following companies:

A. Instagram

Instagram is a service of Instagram LLC, 1601 Willow Rd, Menlo Park CA 94025 - USA

Privacy Policy available at: <https://help.instagram.com/155833707900388>

B. Facebook

Furthermore, we use plugins from Facebook on our website. Facebook is a service of Facebook Inc., 1601 S. California Ave, Palo Alto, CA 94304 - USA.

The plugins are recognizable by one of the Facebook logos (white "f" on a blue tile or a "thumbs up" sign) or are marked with the addition "Facebook Social Plugin". The list and appearance of Facebook Social Plugins can be viewed here: https://developers.facebook.com/docs/plugins/?Locale=en_US.

If you visit a website of our website that contains such a plugin, your browser establishes a direct connection to the Facebook servers. The content of the plugin is transmitted by Facebook directly to your browser and is integrated by it in the website. Therefore, we have no influence on the extent of the data that Facebook collects with the help of this plugin and therefore we can only inform you according to our knowledge, what we do as follows: When visiting our website, Facebook gets your IP address and stores it, even if you are not a member of the social media provider Facebook. However, According to own information Facebook stores in Germany only an anonymous IP address. In addition, Facebook receives the information, which page of our website you have called. If you are a member of Facebook and logged in to your account, Facebook can assign your visit to your Facebook account. If you interact with the plugins, for example, press the Like button or leave a comment, the information is transmitted from your browser directly to Facebook and stored there. If you are not a member of Facebook, there is still the possibility that Facebook will find out and save your IP address. According to Facebook, only an anonymous IP address is stored in Germany. The purpose and scope of the data collection and the further processing and use of the data by Facebook, as well as the related rights and setting options for protecting the privacy of users, can be found in Facebook's privacy policy: <http://www.facebook.com/policy.php>.

If you are a member of Facebook and do not want Facebook to collect data about you via this offer and link it with its member data stored on Facebook, you must log out of Facebook before visiting our website. You also have the option to block Facebook social plug-ins with add-ons for your browser, for example with the "Facebook Blocker". Other settings and inconsistencies regarding the use of data for promotional purposes are possible within the Facebook profile settings: <https://www.facebook.com/settings?tab=ads>.

C. Google Analytics

We use "Google Analytics", a service of Google Inc., 1600 Amphitheater Parkway, Mountain View, CA 94043, USA (hereinafter referred to as: "Google") on our website.

Among other things, Google Analytics collects data over which website you came to our website (so-called referrers), on which subpages of the website you accessed or how often and for which length of stay a subpage was viewed and what interactions you have made. Google Analytics uses a cookie (see the term above under the heading Cookies). The files store data about the behavior of the user. We use the function AnonymizeIP to anonymize your IP address so that it is shortened and can no longer be assigned to your visit to our website. Other information transmitted will not be associated with or linked to the anonymized IP address by Google. The information generated in this way is transmitted to Google's external servers in the US and stored there. Google is a participant in the Privacy Shield Agreement and is certified to

European standards for data processing. Google may transfer this personal data collected through the technical process to third parties. We have a contract processing agreement with Google. Thereafter, Google is entitled and obliged to evaluate the information obtained for us and to provide us with statistical reports on the nature and extent of website use. These statistics enable us to constantly improve our offer, to carry out a cost-benefit analysis of our Internet marketing and to make our website more interesting and user-friendly for you as a user.

1. Purpose:

Our above-mentioned interest in the evaluation of user data represents the purpose of using Google Analytics.

2. Legal basis:

The legal basis for the above-described use of the data is Art. 6 para. 1 lit. f GDPR.

3. Deletion:

The data collected and transmitted by us in this way will be automatically deleted after 26 months. For more information about Google's terms of service and privacy, visit <https://www.google.com/analytics/terms/en.html>.

4. Prevention:

You can prevent the storage of cookies by downloading and installing the browser provided by Google Add-on. This is available at <https://tools.google.com/dlpage/gaoptout?hl=en>. You may not be able to use all features of our website in full. You also have the option to prevent the storage of cookies by setting this in your browser. Already set cookies can be deleted by you at any time.

5. Third-party information:

XII. PayPal

On our website, we offer payment processing via the payment service provider PayPal (PayPal (Europe) S.à.r.l. & Cie. S.C.A., 22-24 Boulevard Royal, 2449 Luxembourg, Luxembourg).

A. Scope:

If you have decided to pay via PayPal, the following of your data will be transmitted to PayPal as part of the order: first and last name, address, date of birth, email address, telephone number, IP address and the information required for processing the respective order necessary data.

B. Purpose:

This data is transmitted so that PayPal can carry out an identity check to process your purchase. This enables, among other things, the detection of fraudulent activities and the prevention of misuse of data. In addition, the data is transmitted so that PayPal can assess your creditworthiness if necessary or PayPal can pass the data on to credit agencies to assess your creditworthiness in the form of a credit check.

PayPal uses the result of the credit check with regard to the statistical probability of default for the purpose of deciding on the provision of the respective payment method. The data collected can also be used by PayPal for analysis purposes, in particular for customer analysis, risk analysis, data analysis for the purpose of developing and improving the services offered by PayPal.

C. Legal basis:

The legal basis for the aforementioned use of the data is Art. 6 Para. 1 lit b GDPR.

D. Deletion:

The data collected and transmitted by us in this way will be automatically deleted after 26 months. You can find more information on PayPal's terms of use and data protection at <https://www.paypal.com/de/webapps/mpp/ua/privacy-full#>

E. Prevention:

You can revoke your consent to the use of personal data at any time vis-à-vis PayPal. Despite revocation, PayPal may still be entitled to process, use and transmit the personal data that are absolutely necessary for contractual payment processing.

XIII. Security measures

We also apply state-of-the-art technical and organizational security measures to comply with data protection laws and to protect your data against accidental or intentional manipulation, partial or total loss, destruction or against unauthorized access by third parties.
